25X1 and no downward revision in price was recommended; therefore, the contract was converted to a Firm Fixed Price contract at the ceiling price of \$1,337,782. A contract amendment was issued to reflect this conversion and to release the withholdings associated with the redeterminable portion of the contract. [REDACTED] (G-0725).

25X1 d. Request For Proposal (RFP) 84B-322: Message Handling Facility (MHF), received seven affirmative intentions to bid out of nine contractors contacted. Proposals are to be submitted no later than 27 July with award anticipated circa 1 September 1984. The objective of this RFP is to procure a software development and implementation design to improve the automated cable services for the Office of Communications. The cable services are presently provided by the Cable Dissemination System (CDS) and Automated Communications Terminal (ACT). This new improved service will be called Message Handling Facility (MHF). [REDACTED]

25X1 e. New IBM Hardware Proposal: IBM has provided an unsolicited Firm Fixed Price proposal for equipment to support ODP's FY 84-85 computer requirements. The proposal also includes optional equipment to support ODP's future (FY 86-FY 91) requirements. The commercial price of all the equipment offered totals \$75M. IBM has offered a discount off their commercial price which adjusts their offer to \$52M. ODP is reviewing the offer in the overall context of future ODP hardware needs. [REDACTED]

25X1 f. Motor Pool Branch (MPB) Request for Mini-Buses: A "Priority" request for two transit commercial mini-buses was received in General Procurement Branch (GPB/PD/OL) from the Motor Pool Branch, Headquarters Operations Maintenance and Engineering Division (MPB/HOME/OL). These vehicles are not only for the replacement of currently used vans, but also to enhance the Motor Pool's ability to meet the increasing transportation needs. [REDACTED]
